

Gulf High School

Electives Worksheet

2016-2017 School Year

This is a worksheet. Make sure you make your elective selections on your Course Request Card. Please remember to rank your elective selection in order of preference (1 for your top choice, 2 for your second choice, etc.). Make sure you select at least 4 elective credits -- remember that two .5 credit courses equal one credit. Seniors -- you need to select a total of 5 elective credits -- I strongly recommend taking an extra credit in science if you are considering going to college. If you have been accepted to Marchman Technical College and plan to attend, make sure you select Marchman. Also, if interested in Virtual School or Dual Enrollment at PHSC, please indicate so on your Course Request Card. Please see your counselor to see if you meet the criteria to take Dual Enrollment courses at PHSC -- separate paperwork needs to be completed for PHSC prior to the end of the school year.
