Simulation and Gaming Academy Gulf High School

Admissions Agreement

The Pasco County Schools Simulation and Gaming Academy Program offers a broad variety of specialized curricula for highly interested and motivated students. For students to be successful in these programs the student must be a consistent, dedicated learner. Therefore, the Simulation and Gaming Academy at Gulf High School requires that students and parents make the following commitment.

I agree to the following terms and conditions for participating in a Pasco County Schools Academy Program. I will:

1. Follow the rules of the academy as well as those rules outlined in the Student Handbook and Code of Student Conduct.
2. Actively participate in each class by being prepared, listening attentively, offering relevant comments, posing insightful questions, taking notes, and doing any other activities necessary to meet the expectations set forth for each class.
3. Submit quality work in a timely fashion seeking additional assistance from my instructors as needed.
4. Manifest the highest degree of academic integrity. Incidents of cheating may be grounds for immediate removal from the program.
5. Maintain an excellent attendance record e.g. scheduling appointments or vacations at times that do not conflict with classes.
6. Fulfill all academy or advanced academic program requirements.

I understand that if I do not meet the standards or follow the rules of an academy program, I may be asked to withdraw from the program to enroll in a course of study which better meets my needs. If I am asked to withdraw from the academy, by the lead academy teacher, I understand that I may appeal that decision to the building principal whose ruling is the final authority. I also understand that if I leave the academy program, I must return to my zoned school.
