

Visit with Santa

Please join us from **9-11am on Saturday, December 17** in the Main Lobby to enjoy a visit with Santa! Refreshments will be served. The **RSVP deadline has expired** but if you would like Santa to present a personalized gift to your child, please drop off a small, wrapped present with your child's name written clearly on the package to the Marketing Dept.

Holiday Gift Drive for the SPCA

The IT&S department is accepting donations for SPCA Suncoast pets. Items needed include dry dog food, soft dog toys, blankets, towels, and canned pet food. Donations can be delivered to the IS department and will be delivered to the SPCA. Donations will be **accepted until December 21**.

Gulf High ESE Student Training Program

In October, members of our **EVS, FANS and Supply Chain**

departments were visited by members of the District School Board of Pasco County. The Superintendent, Mrs. Heather Rose-Fiorentino, Principle of Gulf High School, Dr. Steve Knobl, and Assistant Principal Douglas Elias were here to celebrate the success of Gulf High's ESE "on-the-job" student training program at our hospital. This program has been in effect for nearly two years and allows students to shadow our staff as they rotate through these departments. If you don't know who they are, look for their smiling faces with the dark green shirts!

Patient Falls Update

Congratulations to the following Departments for having zero patient falls for October and November: **A1 and D1**. The following had zero patient falls in November: CCU, PCU, and Radiology. Special recognition to SICU for zero patient falls in July, August, September, October, and November. Thank you for your consistent efforts and focus on patient safety.

Kudos and Congratulations

Congratulations to Ortho-Spine Nurse, Liza Latras, who passed the Ortho Certification exam!

We Are Fit-Friendly Company!

Community Hospital was recently recognized (for the 3rd year) with the American Heart Association's Start! Fit-Friendly Company - Gold Award. Start! Fit-Friendly Companies demonstrate progressive leadership by making the health and wellness of their employees a priority.

Spirit of Women. CATCH THE Spirit

Medical Center of Trinity is part of a national network of hospitals dedicated to educating and caring for women in a unique way that emphasizes total well-being through a variety of innovative health and community programs designed to improve the lives of women and their families. To learn more about **Spirit of Women** programs, please call **727-834-5725**.
