

Swapping clothes saves energy and raw materials.

**Have clothes or accessories that you no longer wear? Why not SWAP THEM?**

-Bring in clothing or accessories that are clean and in good condition.

-You will receive 1 Swap Ticket for every item accepted. Swap Tickets will be used to “purchase” items at the Swap.

-Don't have anything to donate? Swap Tickets will be given out at various library events leading up to the Swap.

-Anything not “purchased” at the Swap will be donated to a local clothing drive.

-Items will be collected in the Youth Department starting Mon, Dec. 3. You **MUST** check your items in with a staff member in order to receive your Swap Tickets.

We will be accepting the following items for babies, kids and teens:

Most clothing items (no undergarments, please), sunglasses, hats, shoes, jewelry, purses, and other “wearable” accessories.
