**Choose One Essay (Minimum 500 words)**

1. How similar is Russia's aggression in Ukraine and the concept of Novorossiia to Hitler's annexation of Austria and the concept of Anschluss? What do you expect will result from this?
2. Investigate the possible events that could result from China's aggression in Vietnam, including China's drilling for oil in Vietnamese waters?
3. Compare and contrast the social structures of the Ancient Athenians and the Spartans and analyze how this impacted the Peloponnesian War.
4. Explain, using historical evidence, the quote "One man's freedom fighter is another man's terrorist."
5. Using your knowledge of the Columbian Exchange, predict what would happen if an alien species colonized the Earth.
