

Homecoming 2014 Door Decorating Contest!!!!

Tuesday, October 21st to Saturday, October 25th

Student Government is holding its 2nd annual door-decorating contest. **STUDENTS AND TEACHERS** are encouraged to **WORK TOGETHER** to decorate their main classroom door so that the door's décor corresponds to one of the dress-up day themes or the homecoming theme. You can also incorporate Friday's game against Ridgewood.

The 2014 homecoming theme is "Game Night."

Dress-up days:

Tuesday- "America"

Wednesday- "Tacky vs. Classy"

Thursday- "Character Day"

Friday- "Spirit Wars" (class shirts)

What Should I Do?

- Take some class time to introduce the contest to your students.
- Tell students about the cupcake reward
- Brainstorm some ideas for decorating the door. Use paper, paint, props, pictures, and anything else you can find to display your theme the best way you can think of.
- If you can provide class time for decorating, great! If not, ask students to work together after class or at home to produce the door decorations.
- Again, make sure that all of the decorations are completed by 2pm Tuesday, October 21st.

Contest Guidelines

1. Students must produce the decorations and decorate the door.
2. The door must be decorated by the end of school day, October 21st.
3. Nothing installed may damage the classroom door, its paint, or its varnish.
4. No nails, tacks, or staples may be put into the door.
5. All adhesives used must be fully removable. Please test your adhesive before using it!
6. Door handles **MUST** remain visible and operational. Door decorations may not impede the usage of the door or pose a safety hazard.

How will the contest be judged?

Each classroom door will be judged according to the following criteria:

1. Is the display Creative? Neat? Colorful? Resourceful? Eye-catching?

2. Is the door completely decorated?
3. Do the decorations fit with the assigned theme?
4. Did lots of students work together to create the display?
5. Does the display follow all of the school regulations and contest guidelines?

Door decorations must be complete **by the end of the day on Tuesday, OCTOBER 21st**. A team of teachers and administrators will judge all doors after school on Wednesday. The winning classes will be announced on the morning news. **The winning class will also be treated to cupcakes** on Friday, October 31st!

Why are we doing this?

Student Government wants to involve the entire student body in decorating their classrooms for homecoming because we feel like students are more likely to look forward to the game, the dance, the pep assembly, the dress-up days, etc. if they work together to get the school looking spirited. We also feel like giving away cupcakes to deserving students and teachers. PLEASE take a little time and help us to get more students involved in their school!

GO BUCS!!!

Thank you!

Ms. Diaz
