

Gulf High School Navy JROTC Summer Camp

July 21-23, 2026

May 29, 2026

Dear Parents, Guardians, and Incoming Cadets,

Once again, the summer is here and Gulf High NJROTC will be hosting its annual summer camp from July 21-23, 2026. We highly encourage all incoming cadets to participate in our summer camp. The camp is not mandatory; however, it's highly recommended for the cadet to have a head start and see what the program is about. Summer camp will help first year incoming cadets become more knowledgeable and comfortable with NJROTC history, marching, etiquette, followership, leadership, uniform wear, personnel inspection, physical fitness review, and other fun activities. This is also a good opportunity for the new cadets to get to know each other as well as getting to know current cadets. We know that going to a new school can be intimidating at times. Therefore, we are here to make the incoming cadets feel welcomed, motivated, and ready to start school. Summer camp is fun, exciting and a learning experience for everyone.

There's no fee to attend summer camp and we'll provide water and snacks for the 3 days.

We will meet on the dates listed above. Times are from 7:30 A.M until 11:00 A.M. and cadets must arrive on time every day. Proper attire for summer camp is a must, athletic shorts, shirt (no tank tops), socks and athletic shoes (no sandals).

Cadets that plan to attend summer camp can make reservations by sending an email to CWO Martin at mrmartin@pasco.k12.fl.us or they can just arrive at the school's main front office at 7:30 A.M. on the first day of summer camp. We'll provide snacks and water to eat and drink during breaks. If you have any questions or concerns regarding your son or daughter attending the summer camp, please feel free to email Chief Rodriguez at jnrodrig@pasco.k12.fl.us or CWO Martin at mrmartin@pasco.k12.fl.us.

During the summer Chief Rodriguez and CWO Martin are very busy attending other activities as summer camps and trainings. Therefore, if you need to contact someone for any concerns, you can reach Chief Rodriguez at (727) 314-2042.
